

Danny Husbands

Danny Husbands is best known for playing Danny Sullivan in the hit TV series *Dream Team*. He first joined the show in Series 5 and starred through to the show's dramatic final episode at the end of Series 10. His character had to deal with plenty of challenging plot lines along the way including the loss of all his former team mates, fathering twins and then losing his wife, and the show's climatic storyline of his ultimate revenge.

Danny Husbands first hit our screens as the character 'Normal' in the hugely popular film *Mike Bassett: England Manager* in 2001. He also starred in *Days That Shook the World* and *8 Bit*, his latest outing on the small screen has been in the BBC One hit series, *Doctors*.
